

**Suggested Interview Questions for
*Iran's Great Invasion***

Briefly tell us what the four signposts are?

You said the first signpost has taken place – what was that?

What leads to your conclusion that an invasion by Iran will be next?

What was your reason for writing such a short, somewhat condensed, version of the interpretation of this signpost – the invasion by Iran?

What might be the impact of that invasion?

How can people prepare for this event?

You wrote a more in-depth book about the four signposts, *Daniel Revisited*. How does this book differ from that one?

What do you hope readers will gain by reading *Iran's Great Invasion*?
